

THE DAILY CLARION FRENCH MEDICINE

PREPARED BY
GRIMAULT & CO.,
Chemists to H. I. H. Prince Napoleon
PARIS.

These different medicines represent the most recent medical discoveries, founded on the principles of Chemistry and Therapeutics. They must not be confounded with secret or quack medicines, as their names sufficiently indicate their composition; a circumstance which has caused them to be appreciated and prescribed by the faculty in the whole world. They widely differ from the numerous medicines advertised in the public papers as able to cure every possible disease, as they are applicable only to but a very few complaints. The most stringent laws, in France, with regard to the sale of medical preparations, and only those which have undergone an examination by the Academy of Medicine, and have been proved efficacious, either in the Hospital or in the practice of the first medical men, are authorized by the Government. This fact must be a guarantee for the efficacy of the Messrs. GRIMAULT & Co. medicines.

DR. BURIN DU BUISSON'S
(Laureate of the Paris Imperial Academy of Medicine)

DIGESTIVE LOZENGES.

This delicious preparation is always prescribed by the most reputed medical men in France, in cases of derangements of the digestive functions, such as:
GASTRITIS, GASTRALGIA, long and laborious digestion, wind in the stomach and bowels, flatulency, indigestion, and COMPLAINTS OF THE LIVER AND LUNGS.

Nervous Head Aches, Neuralgia,
CURED BY
GRIMAULT'S GUARANA.

This vegetable substance which grows in the Brazil has been employed since time immemorial to cure INFLAMMATION OF THE BOWELS. It has proved of late to be of the greatest service in cases of Cholera, as it is a preventive and a cure in cases of Diarrhea.

NO MORE COPAIBA AND CUBERS.

Grimault's Capsules and Liquid Extract of Matico Vegetalis.
Where all other medicines have failed, these preparations will always effect a cure. These insure rapid and extraordinary cures of severe, recent and chronic cases of private disease. They are used in the Hospitals of Paris, by the celebrated Dr. RICORD, and are found greatly superior to all hitherto known mineral remedies and Copal and Cubers. The infection is used in recent, and capsules in the more chronic cases.

N. B.—All the above medical preparations are prepared by instructions as to the manner in which they are to be taken.

ESTABLISHED 1848. IMPROVED 1860, '62, '64.

THIS long-established and popular Machine has recently been remodeled, enlarged, improved in many respects, and as at present constructed has no superior as a first class instrument for family sewing or general manufacturing, either in cloth or leather, and is now offered to the public on terms more liberal than heretofore.

It has been the inventor's aim to produce a machine so simple in its mechanism as to come within the comprehension of every one, and at the same time being so delicate in its operation as to perform perfectly on the finest fabrics, stitching strength sufficient for making any or every garment worn by male or female, and that he has succeeded to the fullest extent is amply testified to by the rapidly increasing sales and popularity of the Machine wherever introduced. It uses a short cut machine, with direct perpendicular action—has a large shuttle, holding abundant thread—makes a strong Lock-Stitch, alike on both sides—uses a long ten-stitch and draws a tight seam without breaking threads—has an adjustable head to prevent the missing of stitches—has a needle guard to prevent the breaking of needles—has a four motion drop feed, or the wheel feed, at the option of the purchaser—runs rapid, light and smooth—in fact it possesses every quality that can be desired, and purchasers can be assured of its giving entire satisfaction in every department of application.

Agents wanted throughout the United States, and to whom unusually liberal inducements will be offered. All agents can be supplied direct from this office. Send for Circular and Address.

DR. SEABROOK'S

Infant Soothing Syrup!

WE HAVE, by purchase of the original recipe, become sole proprietors of this Celebrated Medicine. We ask you to give it a trial, with an assurance that you will find it to be one of those marvellous and destructive stuffs, such as Bateman's Drops, Godfrey's Cordial, Dewee's Mixture, &c., combinations of a pure and anti-progressive age, when it was thought that the more disgusting the mixture the better the medicine.

Summer Complaint, Irregularities of the Bowels, Restlessness, Teething, &c.

Gives health to the child and rest to the mother.

We could furnish any quantity of certificates bearing evidence of its superior qualities, but prefer that our medicine should stand on its own merits, which it will do upon trial.

Purify Your Blood!

HURLEY'S SARSAPARILLA.

OF all the remedies that have been discovered during the present age for the "thousand ills" which flesh is heir to, none equal this wonderful preparation. Only ten years have elapsed since the discoverer (who spent a decade in studying experience, and in perfecting his) first introduced it to the public, and it is already recognized by the most eminent physicians in all parts of the country, to be the most surprising and effective remedy for certain diseases of which they have knowledge.

All other compounds or syrups of this root have hitherto failed to command the sanction of the faculty, because, on being tested, they have been found to contain noxious ingredients, which neutralize the good effects of the Sarsaparilla, and oftentimes injure the health of the patient. It is not so with Hurley's preparation.

This is the pure and genuine extract of the root, and will, on trial, be found to effect a certain and perfect cure of the following complaints and diseases:

Affections of the Bones, Habitual Constipation, Debility, Diseases of the Kidneys, Dyspepsia, Erysipelas, Female Irregularities, Fistula, all Skin Diseases, Liver Complaint, Indigestion, Piles, Pulmonary Diseases, Syphilis, Scrofula, or King's Evil.
